

Cold Connections Jewelry Workshop

Written by Editor

Tuesday, 18 September 2018 12:09

Join the Coastal Discovery Museum on October 13 from 1-4 pm for a Cold Connections Jewelry Workshop with local fine artists Jo Ann Graham.

Students will work with Graham to create their own earrings or pin using tube, wire, or rivets. Students will learn how to measure, divide, drill, saw, file, polish, and patina copper. Great for beginners! All materials and tools will be provided – just bring your creativity!

Cost is \$95 per person (12 and older, please) and reservations are required by calling 843-689-6767 ext. 223. The Museum is located at 70 Honey Horn Drive on Hilton Head Island.
