Palmetto Bluff artists live within a breathtaking landscape on the banks of the May River. It is here where they gain inspiration for the art that will be featured in this series. Karen Dale, Chair of the organizing committee stated, "It's been a delight to bring together this consortium of talented artists and invite our friends and neighbors to Palmetto Bluff to see it all. We hope you'll mark your calendars for October 6th, November 17th and December 8th."

A portion of the artists' proceeds will be donated to the *The Palmetto Bluff Conservancy*, a foundation for education and the conservation of the natural landscape of Palmetto Bluff.
