

For the first time ever this December, Art League gallery will be transformed into a holiday Gallery of Gifts, featuring one-of-a-kind decor and gift items handmade by Art League members. Shoppers can add to their holiday ornament collection, pick up a pair of unique earrings or a stunning necklace for a special someone (or themselves), or browse a variety of small paintings and sculptures to add a special touch to their home for the holidays or year-round.

“The idea of turning our art gallery into a gift gallery is an exciting one for us here at Art League. Of course, all of the artworks we exhibit throughout the year are available for purchase, but we’ve never before sold gift items specifically with the holiday season in mind,” says General Manager Kristen McIntosh. “It gives our artists a chance to craft smaller pieces and our visitors the opportunity to own or gift a piece of art that’s priced more affordably.”

Gallery of Gifts will be open December 1-31, Monday-Saturday 10am-4pm and Sundays 12-4pm.
