The realism of Richard Guffy's paintings make you feel as though you are standing on the pier of Sam's Point Landing, walking the docks at Edding's Point or waiting in the doorway of Hemingway's. Imagine what you will feel as you paint your own canvas along with Richard, creating lasting memories that belong to you alone. Don't be surprised if Richard provides music to paint by, as the musician in Richard is hard to suppress. The outcome is sure to provide you with an everlasting canvas of the Lowcountry.
