

How thirsty are you? The Music Ministry at The Baptist Church of Beaufort is pleased to extend a warm invitation to all for our ***Living Water Community Concert***, 3 pm on **October 11** in our sanctuary. Our vocal ensembles -- from children through adults will be featured, as well as instrumentalists, dramatists, and dancers. Our identity as modern day followers of Christ will be expressed through worship arts as we trace the teachings of the true "Living Water" throughout the Gospel of John. Come be refreshed and rediscover old truths as we wade together through music across time, quench our thirst for sacred presence , and encourage one another for service in the Kingdom of God.
