

The stars will soon shine brightly at Beaufort's historic Arsenal. That's because the Beaufort History Museum (BHM) is planning a book signing reception in the Arsenal courtyard for celebrated local writer Bernie Schein, showcasing the launch of his new book, *Famous All Over Town*.

Fellow author and great friend, Pat Conroy, and his wife, the writer Cassandra King, and other friends and family will be on hand to welcome guests and toast the success of the new book. The party is scheduled for Thursday, September 25, from 6 – 8 pm. Complimentary wine, beer and a selection of cheeses and fruit will be served. This is an invitation only event and space is limited. To request an invitation call 843-277-1443 or email beaufortschistorymuseum@gmail.com.

"We are delighted to join with Bernie's friends to host the book signing," said BHM Board
