

3 Days, 19 Films, 10 Countries, & 15 Cultures

Jean F Guilleux, founder and director of the Arkhaios Cultural Heritage and Archaeology Film Festival, is pleased to announce the Selection Committee has screened all the registered films.

The fourteen members of the committee were challenged to choose the best films from around the globe affording the audience **a rich tapestry of world cultures**

.

Dr. Kimberly Cavanagh, assistant professor of anthropology at the University of South Carolina Beaufort, chair of the Selection Committee, says, "For those who have attended over the last several years, they expect a standard of excellence. It is a huge responsibility to make this selection but I think our committee has done an outstanding job."
