The Beaufort Arts Council has announced the inaugural ArtPop Beaufort competition. ArtPop Beaufort is a partnership between Adams Outdoor Advertising, Beaufort Arts Council and the local art community to provide artists with an opportunity like no other!

Â

The mission of ArtPop is to promote local artists work through available media space. Art + Public Outdoor Project = ArtPop, and it is a nationwide program made possible through the 501(c)3 ArtPop Organization and Adam's Outdoor Advertising. For additional information on the full program, please see www.ArtPopStreetGallery.com.

ArtPop Beaufort will shine the spotlight on talented local artists in the Beaufort area by displaying their artwork on Adams Outdoor Advertising 10'6" x 22'9" billboards that will be seen by thousands of local residents as well as all who visit this region. Artists that reside in Beaufort, Jasper, Hampton, and Colleton counties are invited to submit entries for consideration. ArtPop Beaufort will feature the work of 10 artists rotating through five Adams' billboards for approximately one year beginning in February of 2016. Each billboard will include the artist's work along with his or her name. A page on the Beaufort Arts Council website will feature the winning artists as well as having links to each artist's website if they so desire. A jury of seven leaders in the local arts and business community will be responsible for judging this open artwork competition and selecting the 10 entries to be reproduced for display. Submissions are now being accepted for the competition.
