Art League of Hilton Head announces *Anything Goes!*, the 2019 annual member show. The entire gallery will be devoted to the best new works from Art League's exhibiting members. Artworks in all media will be on display and for sale and truly, anything goes!

Artists can showcase their best work in any size, shape or form they wish. Any media, any subject. *Anything Goes!* means just that— anything the artist can use to push limits and strive for their best work yet. New material or processes are encouraged and three "People's Choice" ribbons will be awarded to the most appreciated efforts at the opening reception on January

9th.

Enjoy an added exhibit bonus as award-winning Art League Academy students from the Spring, Summer and Fall 2018 Academy classes showcase their award-winning artworks alongside their instructors.
