The Beaufort Arts Council today announced its annual meeting will be held August 23rd at its offices on the campus of the Technical College of the Lowcountry.

The meeting will begin at 4 p.m. and will include an overview of the organization's accomplishments over the past year, as well as provide an outlook for its major initiatives planned for the remainder of 2019 and 2020 that support educational programming and community activities for artists and schools in Beaufort County.

"We have made significant progress to enhance our programming and support of the Arts in
