"We want to make this a destination, worth the trip for the food, the scenery, the beautiful sunset view. It's all about enjoying the marsh and the smells and the wildlife. It's about sitting back, relaxing and staying a while instead of rushing in and rushing out."- Chef/Owner, Will McLenagan

"We want to give people that Southern feeling. Take your time. Enjoy. We're not going to mind. We're here to make people happy."- Owner/General Manager, Cris Morrison
